

CUMULATIVE LIST OF NEW ZEALAND NOTICES TO MARINERS

25 November 2022

GENERAL INFORMATION

This list records the date of issue of the current edition of each chart and of subsequent relevant New Zealand Notices to Mariners up to and including **Edition No. 24 of 25 November 2022**. Users of this list are reminded that the authoritative source for information concerning current editions of New Zealand charts and the corrections that affect them are the Editions of New Zealand Notices to Mariners.

THE CURRENT EDITION OF A CHART

When a new chart or new edition is published the date of publication is shown in the bottom outside margin of the chart. A new edition of a chart, on being published and issued as notified by a Notice to Mariners, becomes the current edition and the previous edition is superseded. Withdrawn charts and superseded editions should not be used for navigation; nor should current editions that have not been corrected for relevant Notice to Mariners.
