

NZ 22(T)/23 NEW ZEALAND - North Island - West Coast - Port Taranaki. Dredging Operations

1. A recent survey indicates shallower depths than charted in the dredged areas of the harbour and shipping channel.
2. The dredger *Albatros* (call sign PCTS), will be operating in Port Taranaki to maintain the original depths. A moving exclusion zone applies to the dredger whilst operating within the port limits, refer to the Port Taranaki Navigation and Safety bylaws.
3. During the operations the dredger is restricted in its ability to manoeuvre and will be indicating as such.
4. All operations will occur between 0600-2100 daily, until further notice.
5. All vessels will maintain a listening watch with *Albatros* (VHF CH12) and Taranaki Harbour Radio (VHF CH12), and are advised to exercise caution when navigating within the area.

Chart temporarily affected: NZ 4432
